## **Positive Song for the Day**

Let's listen to the end  
Let's read this song together.

## **You Are a Star**

©2005 Wilbert Leon Crutcher

### ***Chorus***

**You are a star, Let your light shine brightly,  
Let your light shine brightly, Let it shine  
You are a star, Let your light shine brightly,  
Let your light shine brightly, Let it shine**

### ***Verse 1:***

Realize you are a star  
That you can go very far  
Matters not just who or where you are  
Don't worry about how hard it seems  
Keep on reaching for your dreams  
Keep them in your heart  
Rise and make a start

### ***Chorus***

### ***Verse 2:***

Something special you must try  
Let the doubters pass on by  
Keep the faith, keep reaching for the sky  
Seeking knowledge is the key  
Learning brings success you see  
Always stick to it, never ever quit

### ***Chorus***

Oooooo, let your light shine bright  
Let it shine all day and night

### ***Chorus***

## **- Inspiring Children to Reach for Their Dreams -**

Verse 3:

See the greatness inside you  
Let your starlight shine on through  
Do your best to see your dreams come true  
Good things happen in their time  
Keep the faith, don't change your mind  
Keep your head held up, never giving up

**Chorus**

**1) What is this song about?**

---

---

---

**2) Which words in this song are most important to you? Why?**

---

---

---

**3) What is your StarDream? What do you want to do in your life?**
